

Lee Expressive Arts Fall Festival

Tuesday, October 31st

It is a tradition at Lee School to have a Fall Festival instead of the usual type of “Halloween” party. The whole school participates together! We have stations set up throughout the building and the classes rotate, learning about the chosen theme. The stations are designed to encompass all areas of learning – reading, writing, math, music and the arts. We have visiting guests, artists, and experts share their knowledge with us!

This year our theme is “Spin a Story.” Find your child’s grade level theme listed below. Instead of a traditional Halloween costume, students are asked to dress up to match their grade level theme. Many costumes can be made with items your child may already have. Many of our planned activities require students to be active. Your child’s costume needs to allow him or her to move about freely. No masks or weapons will be permitted. *Please save your regular Halloween costumes for Halloween night!*

Kindergarten Nursery Rhymes	3rd Grade Favorite Book Character
1st Grade Fairy Tales	4th Grade Sun Stories
2nd Grade In A Nutshell	5th Grade Sea Creatures

Our day will begin with a parade lead by Marching Mizzou. You are welcome to come and be our audience to cheer us on as we parade through downtown starting at **8:30**. The parade route is West on Locust to 9th Street, North on 9th to Broadway, East on Broadway to Waugh, South on Waugh back to Lee School. Grab a donut and a coffee at Harold’s Donuts and Lakota Coffee that morning! Both businesses are giving part of their proceeds to Lee School.

There are many opportunities to join us and be a part of our day. **Volunteers are needed at stations throughout the day.** An email with a signup link will be sent out soon. **If you sign up to help, you will volunteer at one station and not with your child's class.** Thank you in advance for your help in making Fall Festival a great day for all students, staff, and volunteers!

If you have any specific questions, please contact your child’s classroom teacher. We look forward to seeing all the wonderfully creative costumes!
