@LeeRoom203

We are now in the third week of our fairytale integration unit. The students are doing a wonderful job with the extra music and art times! I love traveling with the students during these times and integrating our classroom curriculum with the art curriculum. Our performance is December 21<sup>st</sup> at 9:45.

## Important Dates

*Don't forget about our monthly calendar*

22

No School  
Thanksgiving break  
22-26

1

BookIt! Due  
Send in table with amount of  
reading

1

Class Spelling Bee  
Top 3 move on to school spelling  
bee

14

Chancellors House  
Walking field trip to MU campus

15

PTA Movie Night  
More information to come

18

Emmanuel's Birthday  
We can't wait to celebrate with  
you!

*All calendars and newsletters are on  
our website [missteasleys.weebly.com](http://missteasleys.weebly.com)*

## Welcome the Marys!

I am so excited to introduce "the Marys"! These two wonderful women will be our principals for the rest of this school year. Mary-Sue Gibson and Mary Korth-Lloyd have jumped right into our school environment and are supporting the teachers and students in amazing ways. I am very much

looking forward to working with them over this year, and gaining some of the knowledge that they have from their previous principal positions.

## What's Happening in Room 203

---

Students have been working on publishing one of their strongest narratives. Students chose what they thought was their strongest writing, and then used our classroom rubrics to try and challenge themselves to make their writing even stronger. Our writing celebration is **Tuesday, November 21 at 10:00.**

In reading, students are focusing on creating a retelling of the book with just enough details. We are working on getting rid of some of the "static" in books and focusing on the main parts of the story. They are all doing great with their focus during this time!

In math, we just finished unit three. I can see that the students really understand the curriculum right now. I am so happy about how excited they all get for math, everyday!

In health, we are wrapping up our bones and muscles unit.

In word work, we are still focusing our study on the short vowel sounds. Students are also noticing ending patterns so that they can create new words by just changing the initial letter of the word.

The beautiful thing about learning is that no one can take it away from you.

## Star Student

---

We did not have a star student this week, but we did not have a newsletter for Cc last week either 😊

Cc was our star student last week! She shared with us lots of things that she loves to do!

Cc also brought in her keyboard and we discussed different patterns on the keys, as well as discussed how she can change the tone, pitch, etc. The students really loved to hear Cc talk about how amazing that instrument is!

Next week's star student is: Lillian
