@LeeRoom203

We are now in the fourth week of our fairytale integration unit. The students are doing a wonderful job with the extra music and art times! I love traveling with the students during these times and integrating our classroom curriculum with the art curriculum.

Our performance is December 21<sup>st</sup> at 9:45.

## Important Dates

*Don't forget about our monthly calendar*

4

TRYPS Cinderella  
Walking field trip to Stephen's  
Campus @ 12

14

We can't wait to celebrate with  
you!

20

School Spelling Bee  
In the gym at 1:00

22-3

Winter Break  
Have a wonderful holiday!

*All calendars and newsletters are on  
our website [missteasleys.weebly.com](http://missteasleys.weebly.com)*

## Welcome the Marys!

I am so excited to introduce "the Marys"! These two wonderful women will be our principals for the rest of this school year. Mary-Sue Gibson and Mary Korth-Lloyd have jumped right into our school environment and are supporting the teachers and students in amazing ways. I am very much looking forward to

working with them over this year, and gaining some of the knowledge that they have from their previous principal positions.

# What's Happening in Room 203

---

We have started our very brief fairytale writing unit. This unit will last 2 weeks because it is something extra I like to add in. We will start with choosing an item and then giving it magic; from there they will create the characters, problem, solution, etc. After our fairytale unit, we will start our teaching unit. Students will write how-to books.

In reading, students are focusing on creating a retelling of the book with just enough details. We are working on getting rid of some of the "static" in books and focusing on the main parts of the story. They are all doing great with their

focus during this time!

In math, we have just started unit four. You will receive the homework guide in next week's homework folder. We have focused our studies on measurement this week. The students are doing great with this concept!

In social studies, we are getting ready to start our diversity unit. We will do this by discussing different winter holidays and discussing our different traditions that we have with our families. If you would like to present about your family's holiday and traditions, please let me know!

*Change is  
the end result of  
all true learning.*

## Star Student

---

Lillian was our star student this week!

She told us that she wants to be a doctor when she grows up.

She shared with us her favorite book, which was about lost treasures...It was a super funny book!

Lillian enjoys playing soccer during her free time.

Lillian is a professional whistler and really enjoys reading Junie. B. Jones books.

**Next week's star student is:  
Emmanuel**
