Welcome the Marys!

I am so excited to introduce "the Marys"! These two wonderful women will be our principals for the rest of this school year. Mary-Sue Gibson and Mary Korth-Lloyd have jumped right into our school environment and are supporting the teachers and students in amazing ways. I am very much looking forward to

working with them over this year, and gaining some of the knowledge that they have from their previous principal positions.

Mary Korth-Lloyd: MLloyd@cpsk12.org

What's Happening in Room 203

We wrapped up our Fairy Tale writing unit and will move on to teaching books next week. We will start with basic situations such as "how to brush your teeth" and other basic examples. Students will eventually choose what topic they are going to write about.

In reading, students are focusing on creating a retelling of the book with just enough details. We are working on getting rid of some of the "static" in books and focusing on the main parts of the story. They are all doing great with their focus during this time!

In math, we have just started unit

four. You received the homework guide in this week's homework folder. The students focused on creating a survey question and then collecting their own data. Students then created a bar graph with their data. The students are doing great with these topics!

In social studies, we have focused our discussion on Hanukkah. We have read many different books about the oil miracle as well as traditions and celebrations around this holiday. Next week we will talk about Christmas celebrations and traditions.

*The future
of the world is in
my classroom now.*

Star Student

Emmanuel was our star student this week!

Emmanuel wants to be a doctor when he grows up.

Emmanuel shared a super silly story about animals with us.

Emmanuel played his harmonica for us and the students really enjoyed listening to the different sounds it created.

We loved getting to know more about Emmanuel!

Next week's newsletter will feature
