This is the only chance to order  
yearbooks for this year.

5

No School  
Teacher Work Day

10

CC's Birthday  
We cannot wait to celebrate  
with you!

*All calendars and newsletters are on  
our website [misteasleys.weebly.com](http://misteasleys.weebly.com)*

## Important

**Yearbook order forms** will be in this week's Friday Folder. The orders are due back on Friday, January 26<sup>th</sup>. This is the only opportunity to order yearbooks this year. Please make sure to get these in on time, if your family wants one. Thanks!

**Homework folders** are sent home on the first day of every week and they are due the last day of that same week. If students do not turn in their folders (completed) then they will use their afternoon recess of the day they were due to complete the work. Please make sure your child understands this.

---

## What's Happening in Room 203

---

In writing, we have started our teaching books unit. Students will be writing how to books as well as fact books. Students are doing great with this so far! We will have a really fun activity next week to ensure that we are using enough details.

In word work, we have started to talk about different digraph sounds. This week we focused on "ch" and "sh". We will continue with digraphs for the next few weeks.

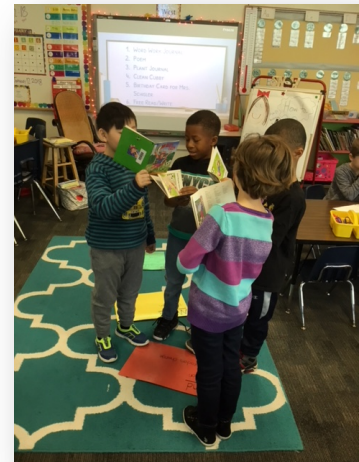

In our book clubs, students have been walking through their retellings to make sure that they

are including just enough information from the story.

In math, we have started to talk about greater than, less than and equal to. The students are doing wonderful with this concept! I am completely impressed! *If you have any paper towel tubes or wrapping paper tubes, please send them in!*

In social studies, we are talking about diversity. We will focus on our story and how our culture has shaped us and how we interact with our environment.

In health, we have a guest teacher that comes in every week to do a nutrition lesson for the next 2 months.

*He who learns but does not think, is lost. He who thinks but does not learn is in great danger.*

*-Confucius*

## Star Student

---

Dayvin was our star student the week before winter break!

Dayvin's favorite thing to do when he is not in school is to play on his Xbox!

When Dayvin grows up he wants to buy a good house for him and his mom.

Dayvin loves Pokémon and Dragon Ball Z!

**Next week's Star Student: Felix**
